PERSONAL PROFILE

Recent Full-Stack Web Development Bootcamp graduate pursuing a rewarding yet challenging entry-level role to advance my career. I possess a comprehensive knowledge of multiple coding languages, agile methodology, and user acceptance testing. I am confident that my proven analytical, problem-solving, organizational, and communication skills will validate my qualifications for this role.

AREAS OF EXPERTISE

-Agile Methodology
-User Interface (UI)/User Experience (UX)
-API Integration
-Software Development Lifecycle (SDLC)
-User Acceptance Testing (UAT)

TECHNICAL SKILLS

Languages: JavaScript, CSS, HTML5, SQL
Applications: GitHub, MongoDB, NoSQL
Tools: Express, React, Google, Node, Handlebars, Git, jQuery, Bootstrap, Jest

PROFESSIONAL EXPERIENCE

INDEPENDENT FRONT-END ENGINEER

Martell Schaub Personal Site, Cedar Park, Texas | June 2022 – Present

- Leading the build of personal site for a licensed dietician; emphasis includes enhanced UI/UX experience to increase customer base and drive revenue.
- Meet with client to assess needs, identify technical requirements, assess feasibility of implementation, and conduct user acceptance testing prior to go-lives.
- Experience using React.js, Chakra UI, MongoDB, and GraphQL.

Integrity Strength & Conditioning, Waco, TX | 2019 – Present

- Leading a revamp of the website for a fitness center that provides strength and conditioning coaching; emphasis includes a redesign of the user interface (UI) to improve the website's aesthetic, capture end-user attention, and drive registration.
- Conducting testing of websites across all major browsers to ensure quality and consistency throughout.
- Experience using React.js, Bootstrap and React-Router-Dom.

STUDENT

University of Texas, Austin, Texas | March 2021 – September 2021

- As part of a six-month bootcamp, acquired proficiency and expertise in project management, planning, design, and coding languages including but not limited to HTML, CSS, JavaScript, React, JS, and NodeJS.
- Proven strong teamwork skills and ability to manage multiple projects and priorities simultaneously.

KEY PROJECTS, HIGHLIGHT'S, & ACCOMPLISHMENTS:
